

Application pack for filming on Bournemouth Council Land

How do I apply to film in Bournemouth?

1. An application form is attached for you to complete, sign and return to the Events Team **giving as much detail as possible** about your filming to include proposed date, time, location, set-up and content. Please feel free to continue on another piece of paper if you run out of room on the form. Alternatively, you can submit a separate, more detailed filming proposal along with the application form.
2. On receipt of your signed application form, Public Liability Insurance and Risk Assessment we will check the availability of your location and the suitability of the filming within that location.
3. If agreed, this application form will be signed by an events officer, and issued back to you detailing any specific conditions separate to those highlighted under 'Terms and Conditions'.
4. **Please do not confirm arrangements or commit yourself to anything costly until you have received a signed application of approval from the events team.**

Please note, your application will not be processed until we have received the following;

- **Signed Application**
- **Public Liability Insurance**
- **Risk Assessment.**

What about Health and Safety?

We require the following paperwork at least **five working days** prior to your filming taking place:

- A comprehensive and approved risk assessment, a template of which is enclosed. If you have a preferred format then please feel free to submit this. For further information on risk assessments, please refer to the Health and Safety Executive (HSE) website - www.hse.gov.uk/risk/practice.htm.
- A copy of your £5 million Public Liability Insurance. If you don't have Public Liability Insurance, you may qualify for cover under the Council's own insurance (subject to specific requirements). Please contact us directly to discuss this further.
- A Risk Assessment and Public Liability Insurance for all sub-contractors to the filming e.g. staging, marquees etc.

Licensable Activities

You will see from the application form that some activities now require the land on which the activity is to take place to be licensed. Licences have been granted for 6 locations in Bournemouth as follows:

- Meyrick Park
- Kings Park
- Shelley Park
- The Lower Gardens
- Pier Approach
- Boscombe Beach

These licences place specific conditions on the use of this land, and event organisers are now legally obliged to abide by these conditions.

If your chosen location is one of those listed, we will send out the conditions specific to that location on receipt of your application form.

If the location of your event is not one of those listed above, and the maximum number of people attending at any one time is less than 500, a temporary event notice (TEN) can be applied for. Details of this will be sent to you on receipt of this application form.

If you think that your attendance numbers will be 500 or more at any one time, please contact us for more information.

Cost of Filming

The minimum charge for filming on council land is £80 plus VAT. This charge is dependent on the size, number of cast and crew involved, duration, and requirements for your filming and the exact cost will be advised on receipt of the application form.
